

ATTENTION PARENTS

Does your child need a boost in their attitude toward schoolwork?
Does your child need to recover study skills and habits lost during COVID quarantines?

If the answer to either question is YES, the SOAR Study Skills Program is for you!

SOAR is the #1 ranked study skills curriculum in the world. It has been proven to increase GPA's, reduce missing assignments and increase confidence. SOAR teaches critical learning, organizing and communication skills needed to be successful in school.

The Greater Waverly Foundation is sponsoring scholarships for students to participate in the SOAR Study Skills Program on a first come, first serve basis. Participants will receive online access to SOAR lessons, activities and materials at no cost to parents. Program begins June 21, 2022.
